REPORT OF THE FIRE DEPARTMENT

In 1973 the Fire Department answered 14 calls with 41 men responding. Total loss reported was \$850.00. This low loss figure shows excellent citizen participation in fire safety and fireman response to emergencies. Our training program is working out very well and will continue to do so. With the help of everyone the auction made it possible to complete our obligation on the fire house mortgage.

Please notice that the Fire Department is asking for an appropriation of \$2,000 this year. The breakdown is as follows: Regular operating expenses of the Fire Department; \$1,300, Forest Fire Service \$100, and \$600 to be put in our savings account toward purchase of a truck. Future auction earnings are also scheduled for the same savings account. Our fire prevention program and contests at Goshen—Lempster School have been very effective and rewarding for the children as well as the town and the Fire Department.

Equipment added to the department this year includes: 1000 gal. portable tank, 2 fog nozzles, 400 ft. of 1½" hose, and a portable pump. My sincere thanks to the firemen and all citizens of Goshen for the many hours of help and cooperation given to make the Fire Department an effective service throughout the year.

Respectfully submitted,

Edwin I. Baker, Chief

REPORT OF THE FOREST FIRE WARDEN and DISTRICT CHIEF

The New Hampshire Forest Fire Service is represented in every town, city or unorganized place in our state by the forest fire warden. Anyone wishing to kindly an outside fire when the ground is not covered with snow must first obtain the written permission of the fire warden. Except for cooking fires, no fire can be kindled between 9:00 A.M. and 5:00 P.M. unless it is a commercial or industrial burn or it is raining. The fire warden is assisted in his work by the District Forest Fire Chief who works for the Department of Resources and Economic Development Forest Fire Service.

Fire prevention was, again this year, the most important part of the Forest Fire Warden's Job. Fire statistics show the need with 72% of the fires caused by smoking, debris burning and children. Smokey the Bear is an important prevention tool but he still needs much help from the public. Parents should warn their children of the hazards of playing with matches. Children tend to forget that a lighted match held in their hand is a potential forest fire.

REPORT OF THE TRUSTEES

Olive G. Pettis Library

The library has been open eight hours each week until December when the Monday hours were discontinued to conserve fuel. As the state has required eight hours a week the librarian being paid for six hours has donated the other two until that time.

Circulation of books for the past year were 396 fiction, 160 non-fiction, 542 juvenile making a total of 1098. The Bookmobile which is a most valuable state service has left 1131 books during the year. The volumes added in 1973 have been 68 adult and 25 children's books.

The Friends of the Library have contributed money for repairs, a new light and door for the bathroom and a new flagpole. The eagle was a gift from a friend. Books in memory of Fred Allen and Myrtle Allen were given by the Friends of the Library and the Community Church Circle. The Sunapee Mountain Grange donated a book on the history of their national organization.

Meetings of the Library Trustees, the Friends of the Library, and the Goshen Historical Society have been held regularly at the library.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the Citizens of the Goshen-Lempster Co-operative School District:

ENROLLMENT

The present number of students total 116 in Grades 1-8, served by a teaching staff of five full-time and three part-time positions.

Sixty-two students are attending high school: one at Sunapee, and sixty-one at Newport.

A five-year tuition survey may be of interest:

High School	1969-70	1970-71	1971-72	1972-73	1973-74
Claremont	3	1	1	1	0
Keene	1	1	1	2	0
Sunapee	1	1	1	1	1
Newport	53	55	55	59	61

High School tuition charges per student for 1973-74 are:

Sunapee		\$931.00
Newport	\$880.00	
Rental Charge	<u>45.71</u>	
		\$925.71

STAFF

Goshen-Lempster has experienced very little turn-over in the staff in recent years. Mrs. Irene Cain retired in June after eight years of teaching. She gave conscientious, dedicated service to her position and we were fortunate to have had her services. All but one of the staff members have had all their teaching experience at Goshen-Lempster. They are as follows:

Name	Training Institution	Degree	Total Yrs. at Teaching thru June 1974	Total Yrs. Teaching at Goshen-Lempster thru June '74
James Russell Head Teacher & Grades 6, 7, 8	Northeastern Univ.	Bachelor of Science in Ed.	7	7
Timothy Garland Grades 6, 7, 8	Windham College	Bachelor of Arts	1	1
Ethel Jarvis Grades 4 & 5	Keene State College	Bachelor of Education	4	4
Jan Bradeen Grades 2 & 3	Whitewater College & Keene State College	Master of Arts	10	8
Marjorie Patterson Grades 1 & 2	Keene State College	Bachelor of Education	2½	2½

Part-time Personnel include:

Elizabeth Barrett - Reading Improvement - Title I (Federally Funded)

Ruth LeClair - Library Aide

Patricia Maurer - Music

GRANTS

Goshen-Lempster has been fortunate to receive two federal grants. Last year \$2,000 was obtained to help in building up the library collection. These funds came under the federally funded Title II - Library Program

This year, a project entitled "Vocational Vistas" was granted \$500 from federal funds under the Title III — Special Program allotment. It is aimed at providing the students greater exposure to career possibilities in the area.

MINIMUM STANDARDS

We have taken another step toward compliance with the New Hampshire Elementary Minimum Standards by including some funds for an Aide. One of the services of such a position would be to provide some help for the Head Teacher so that he would have more time to perform routine supervisory duties.

We will still be deficient in meeting the Minimum Standards in the areas of Art, Special Education, Guidance, and Physical Education.

CONCLUSION

Goshen-Lempster continues to be well served in transportation, custodial, and lunch services by the Wilber Campbells, the Charles Newtons, and Mrs. Connie Hooper. Mr. & Mrs. Wilber Campbell are retiring this June from their bus duties. They have given many years of faithful, concerned service at a reasonable price to the taxpayers. We are pleased to report that Charles Newton has contracted to handle the bus detail next year and feel confident he will continue the same high level of service.

Respectfully submitted,
Gordon B. Flint
Superintendent of Schools

Goshen-Lempster School Board

REPORT OF HEAD TEACHER

The year 1973 has been one of growth and change at the Goshen-Lempster School. While our new Library Resource Center was in its first year of operation under Mrs. LeClair, we received the welcomed news that our proposed project for a Model Small School Resource Center was one of fourteen projects in New Hampshire selected for federal funding. Mrs. LeClair lost no time in spending the \$2,000. Special Purpose Grant under Title II, ESEA, for books, recordings, and filmstrips to increase our central collection. Since last Spring she has spent many hours in the work necessary to put these and other materials into use for the children in the classrooms.

Last Spring also saw the Newport High School Band under its new director, Mr. Piaseczny, spend an enjoyable afternoon playing at our school. The students in both the band and the audience thoroughly enjoyed the presentation.

In April Mrs. June Buck, our School Nurse, arranged for a Dental Hygienist to visit our school with interesting films and demonstrations showing the development and care of teeth.

With June and graduation approaching the eighth grade spent a morning at Newport High School trying to determine a course for the future. Mr. Herbert Williams, Guidance Director, then came to the school to assist the graduates in course selection.

The graduates made their class trip to the Boston Museum of Science and Canobie Lake Park. Graduation was held June 15th with guest speaker, Mr. Rodney Walker, Newport High School Principal. Valedictorian was Sandra Hodgman; the Salutitorian was Paul Newton. Mrs. Cain and Mrs. Williamson presented the diplomas after an invocation by Father Densmore. Music was under the direction of Mrs. Thomas. Refreshments were provided by the Parents' Club; Mr. and Mrs. Campbell donated flowers.

We reopened this September with one personnel change. Mrs. Irene Cain retired after eight years at Goshen-Lempster and was replaced by Timothy Garland as teacher of mathematics and science in grades 6, 7, & 8. Mr. James Russell teaches English & Social Studies at Grades 6, 7, & 8. Mrs. Marjorie Patterson returned as teacher of grades 1 & 2, Miss Jan Bradeen, grades 2 & 3, and Mrs. Ethel Jarvis, grades 4 & 5.

Title I, ESEA, has continued to provide the special reading program under the Supervisory Union cooperative project as directed by Mr. A. J. Soucy, Teacher Consultant. Mrs. Elizabeth Barrett has continued to serve as the reading teacher in Goshen-Lempster and has had the benefit of assistance from Mrs. Eileen Coombs, Title I Teacher and coordinator for the Newport, Sunapee,

Goshen-Lempster Program Mrs. Mary McCullough and Mrs. Constance Hooper have served as chairman and co-chairman on the Title I Advisory Committee for the cooperative program

September saw a further expansion of services through the help of the Sullivan County Mental Health Clinic. Staff members of the clinic come to the school on a limited but regular basis to discuss student behavior and problems related to student learning. Such discussions and professional advice are most helpful to teachers in developing effective strategies for dealing with student behavior and performance.

Another expansion came this fall when a federal grant of \$500. was awarded to fund the Vocational Vistas project designed to give students some further insight into some possible career choices available to them We were successful in providing a work experience program for one of the older students in the program.

The Goshen-Lempster Parent-Teacher Association has been of tremendous help this year, sponsoring a dental clinic, contributing money for library books, science materials, and an outdoor basketball court. In addition, several of the mothers have volunteered as Aides within the school, for which we are very grateful.

We are presently in the midst of a project, initiated by a 40-hour Teacher Training program last summer in an INSTRUCTIONAL DEVELOPMENT INSTITUTE (IDI), designed to attack a specific student-oriented problem of instruction. Mr. Russell and Miss Bradeen were two of the participants in this IDI who later identified a project aimed at evaluating student performance, materials, and methods of instruction in mathematics. This study should lead to implementing some changes in the teaching of basic skills in this area.

I would like to thank all who have helped at the school this year, especially Mrs. Hooper, our cook, the Newtons, our janitors, and the Campbells, our bus drivers. We are particularly grateful to the citizens of Goshen and Lempster, the School Board, and central administrative staff in their continued efforts to provide the many services as will be required under the minimum standards for elementary schools.

Respectfully submitted,

James Russell
Head Teacher
